OUR PASSION IS BOUNDLESS AND KNOWS NO COMPROMISE.

Automobili Lamborghini has been building legendary super sports cars at Sant'Agata Bolognese since 1963. Each Lamborghini is built by hand, thereby combining advanced technology with a tireless pursuit of perfection. These values are not merely applied to car production, but also and especially to the creation of Accessori Originali.

Each and every accessory boasts outstanding quality, cutting edge technology, Lamborghini signature design and stands out for the attention paid to the smallest details.

The goal remains the same: exceed our customers' expectations of quality and service.

Accessori Originali Automobili Lamborghini allows you to express your personality to the fullest and make your Lamborghini even more unique.

SPORT

Exclusive design and Motorsport technology for your
Lamborghini

SPORT TIRES

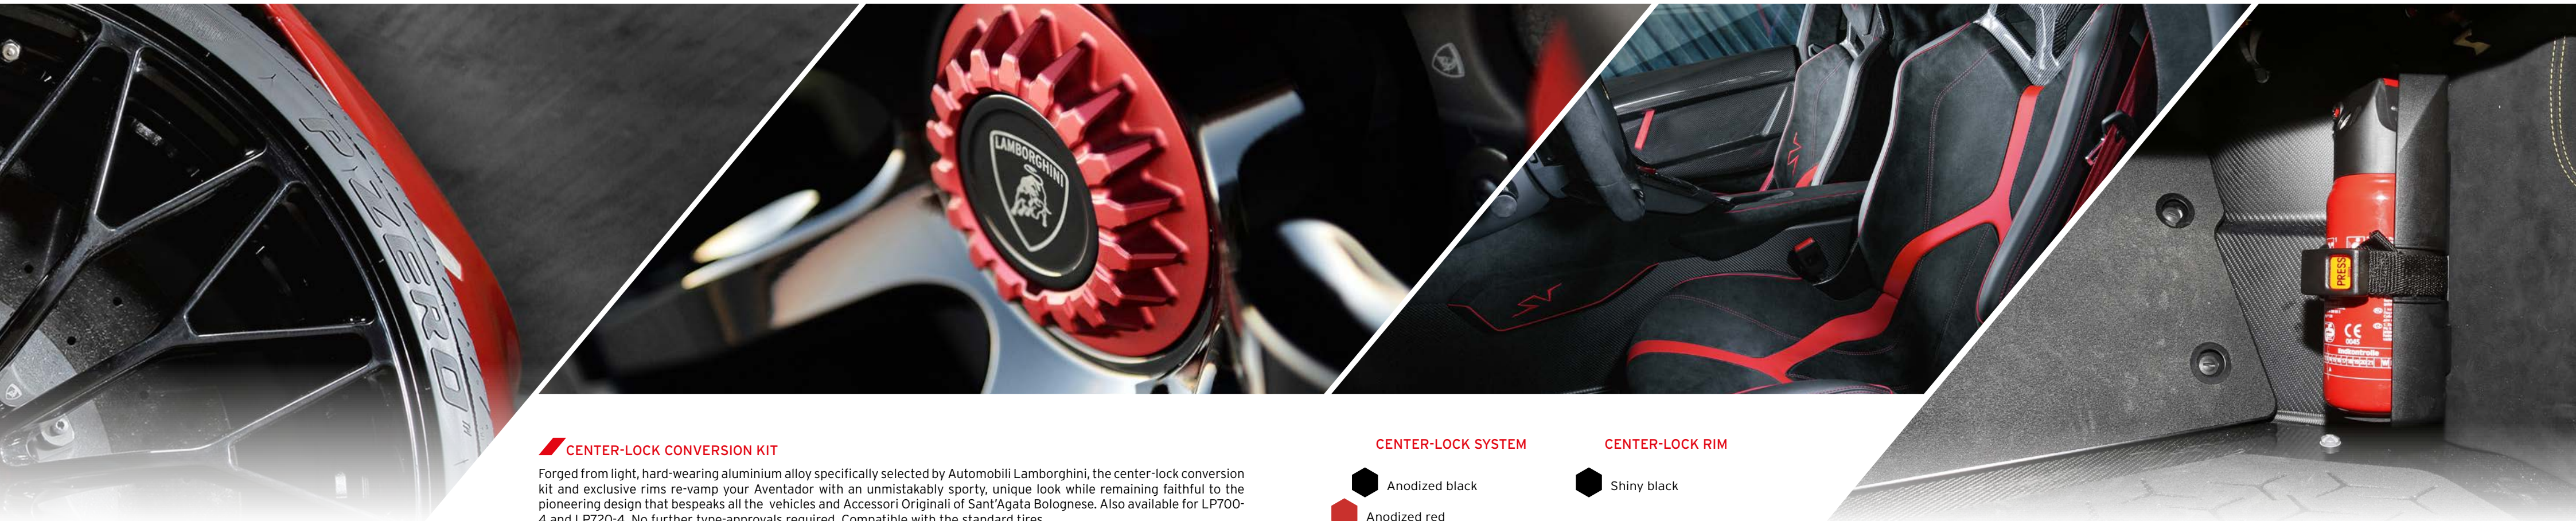

Pirelli has drawn from a century of experience to provide you with the perfect tires for your Aventador. Enjoy the sporting heart of your Lamborghini to the full as you hug the track or road with these special tires. Only tires with the exclusive "L" marking on the shoulder guarantee the exclusive Pirelli-Lamborghini project and partnership.

SPORT SEATS

The perfect seats for a truly racing environment, without compromising on style or safety.

EXTINGUISHER KIT

Safety first and foremost, in all driving conditions.

CENTER-LOCK CONVERSION KIT

Forged from light, hard-wearing aluminium alloy specifically selected by Automobili Lamborghini, the center-lock conversion kit and exclusive rims re-vamp your Aventador with an unmistakably sporty, unique look while remaining faithful to the pioneering design that bespeaks all the vehicles and Accessori Originali of Sant'Agata Bolognese. Also available for LP700-4 and LP720-4. No further type-approvals required. Compatible with the standard tires.

SOUND PERFORMANCE TUNING

Not only is Aventador a delight to behold. Specific engine tuning created for the standard exhaust guarantees increased power and torque but most especially, it turns the unmistakable sound into a ferocious rumble.

RACING RADIATOR

Improved engine cooling means enhanced performance. Always, whatever the weather.

RACING EXHAUST SYSTEM

AVENTADOR, The One And Only, and that goes for sound, as well. With the Racing Exhaust and dedicated engine tuning, your AVENTADOR will let you hear its own true roar: you won't be disappointed.

And since sight is as important as sound, new decorative tailpipes with the exclusive "Accessori Originali" marking will complete this record-breaking exhaust system.

All this without affecting the warranty on your Lamborghini and with the peace of mind of installing a certified product from the Accessori Originali Automobili Lamborghini line.

Weight reduction: - 21 kg
Up to 10% power increase < 3000 rpm
Recommended for track use only

TRACK AND PLAY

The exclusive Accessori Originali Track and Play will provide you with your very own telemetry tracking and video recording centre. The powerful, lightweight control unit can be easily installed in your car, while the App can be downloaded from App Store iOS (or just focus on the QR-code in this brochure). Create or choose your track, then measure your all-round performance by analyzing every aspect of your driving prowess.

Acceleration, speed, gear engaged, G-force, steering angle, tyre pressure and RPM are only some of the data that Track and Play can read, record and analyze for you. And thanks to the Data Syncing function, you can show the whole world your skill at the wheel of your Lamborghini.

The ultimate telemetric experience:

- Easy to install
- 56 preloaded circuits, plus Track Creator function
- Aventador customized dashboard
- HD video recording and automatic synchronization of telemetry data
- Comparative "Ghost" functionality
- Complete performance analysis

EXTERIOR

A masterpiece made of carbon fiber.
The product of 120 hours of precision labor.

CARBON FIBER ENGINE BAY SHIELDS / CARBON FIBER T-ENGINE COVER / CARBON FIBER X-FRAME ENGINE BAY COVER

The engine compartment of your Aventador houses the component that turned Automobili Lamborghini into a legendary icon. This is why Accessori Originali provides the parts you need to add a finishing touch to your engine compartment: a complete set of engine bay shields, T-Engine cover and X-Frame support. All made of carbon fiber protected by heat-resistant clear-coat for an ultra-sporty, hi-tech visual effect.

SET OF WHEEL RIMS

Lamborghini rims are engineered and crafted at the Sant'Agata production facility with the utmost accuracy. To be more precise, they are forged to perfection from a single piece of aluminium: The result is thinner, yet high strength rims that are low in weight. All to the benefit of the performance of your Aventador.

CARBON FIBER HARD TOP

Essential part of the Aventador Roadster, the two parts that form the hard top are made of carbon fiber to provide the highest possible component stiffness and extremely low weight. Choose one of the following finishes to complete the look of your Aventador.

- Matte black
- Shiny black
- Carbon fiber
- Forged composite

CARBON FIBER EXTERIOR KIT

Lamborghini boasts a long tradition of hand-made craftsmanship, but also a long tradition of working with hi-tech materials like carbon fiber. Every accessory offers outstanding quality, cutting edge technology, Lamborghini's signature design and stands out for the attention paid to even the smallest details. The goal remains the same: our customers' expectations of quality and service must not merely be met, but consistently exceeded.

CARBON FIBER ENGINE BONNET

Carbon fiber has been part of the Lamborghini DNA for over 50 years. Lightness, strength and an unmistakable look are only a few of the hallmarks now featured by your engine bonnet.

FORGED COMPOSITE EXTERIOR AND INTERIOR KITS

Carbon fiber has been re-invented by the people who were the first to use it in super-sports production cars. The exclusive new weave pattern with a re-vamped and aggressive look assures optimum performance as to strength and lightness.

WHEEL CENTER CAPS

Accessori Originali is always on the lookout for new ways for you to customize your Lamborghini. These sets of center caps will provide added glamour to the wheel Rims of your Aventador. Choose from different designs, colors and logos and make it unique. And for a new perception of luxury, Automobili Lamborghini Accessori Originali proposes a product combining the technological innovation of carbon fiber and the exclusivity that only real Diamonds can provide in a limited edition. Hand-crafted by professional artisans, these jewel-encrusted center caps epitomize the "Made in Italy" concept at its most excellent.

VALVE CAPS WITH LOGO

Because even the tiniest parts count. Specially designed by Accessori Originali, this precious set of aluminium valve caps with the bull logo are painted and laser-engraved.

CENTRAL AESTHETIC GRILLE KIT

Pair of heat-resistant rear sport grilles that frame the exhaust and protect the edge from dirt and litter.

TRANSPARENT ENGINE BONNET

The powerful V12 aspirated engine in your Aventador undoubtedly performs the most important task of all and as such, deserves to be displayed. That's what this transparent hood is designed to do.

REAR SPOILER CONTROL

Rear wing positioning technology at your command. Now even when the vehicle is at a standstill.

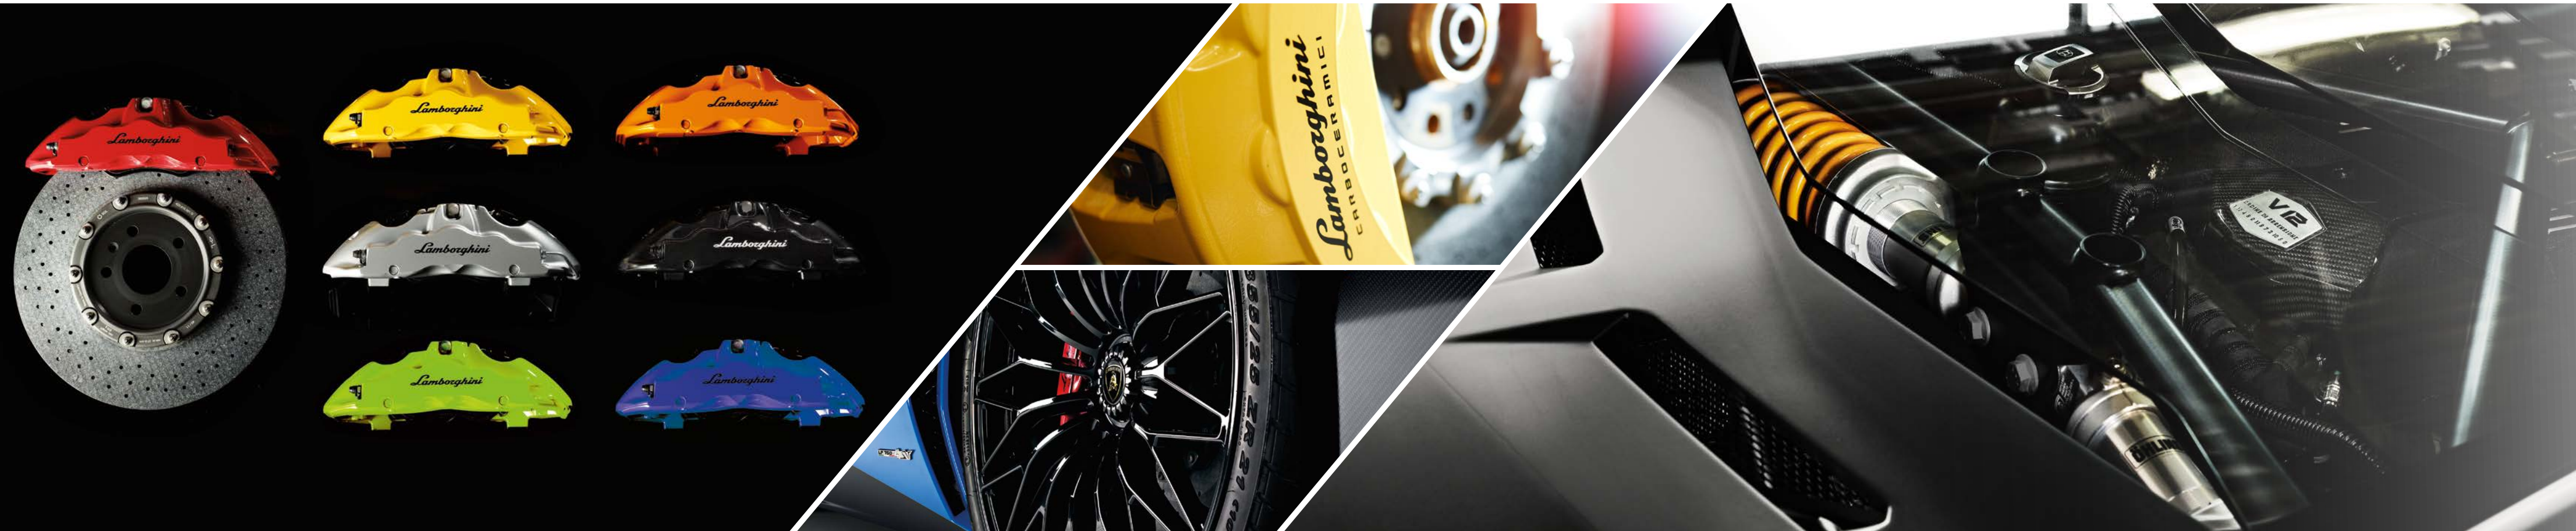

COLORED BRAKE CALIPER KIT

For a vehicle produced in Sant'Agata Bolognese, every gram of reduced weight is an advantage. That's why we work passionately to trim down the weight of our cars. And that's why we use carbon ceramic brakes, which not only offer a very long service life, but are significantly lighter than traditional brakes.

SHOCK ABSORBER KIT

Colored springs to use in conjunction with your standard or comfort shock absorbers.

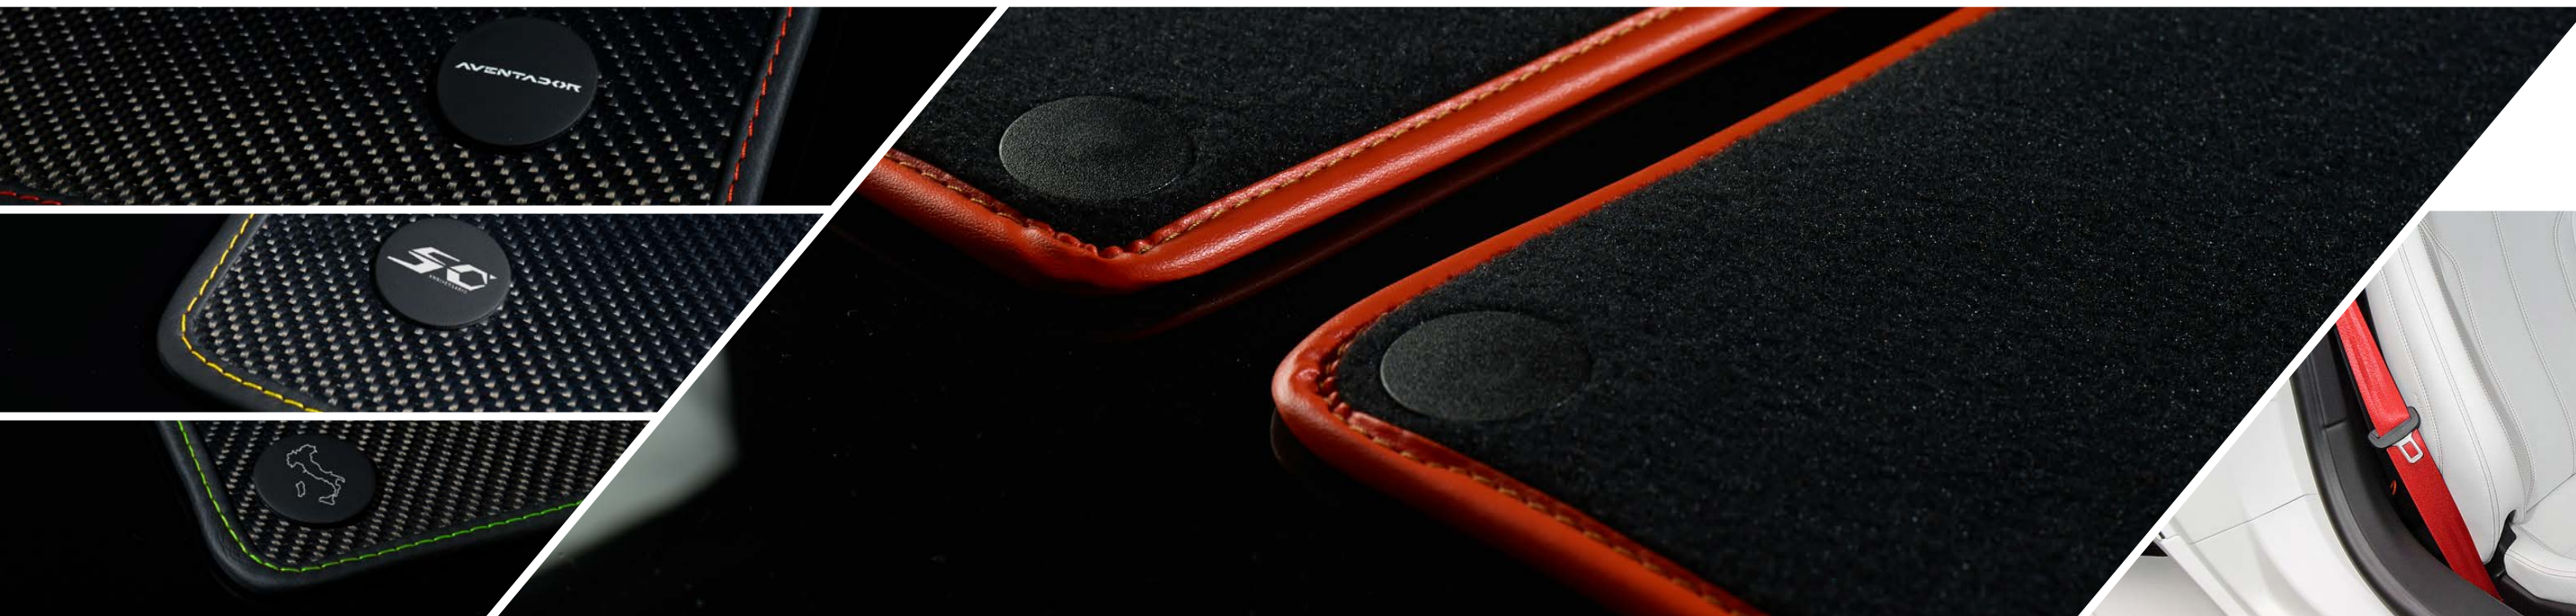

INTERIOR

The interiors of our cars are made with a unique material: passion.

CARBON FIBER FLOOR MATS

Accessori Originali has provided every detail for your Lamborghini. This is why you can customize even the floor mats.

SET OF CUSTOMIZED PLUGS FOR FLOOR MATS

Available with the name of your car or logo of your choice, they provide an extra touch of style for your floor mat plugs.

FLOOR MATS WITH CUSTOMIZED EDGES

A stylish combination of carbon fiber, leather and stitching creates a customized product that fully matches the colors and finishes of your Lamborghini. But if you prefer a classic look, you can choose the standard floor mats with customized leather edge trims.

COLORED SEAT BELTS

Restricting the scope for customizing to just leather, Alcantara and carbon fiber may simply not be sufficient for some. Available in a selection of colors, Lamborghini safety seat belts guarantee maximum safety plus an extra touch of color to brighten the passenger compartment.

CUP HOLDER KIT

Limitless performance without sacrificing comfort inside your vehicle.

RECHARGEABLE FLASHLIGHT

Powerful flashlight that can be recharged using a 12 V power port. Because every detail of your Lamborghini deserves to be well lit.

CARBON FIBER INTERIOR KIT

Highly resilient and remarkably light, carbon fiber is considered to be the material of the future by the auto industry. But in Sant'Agata Bolognese, this advanced technology has been a household word for more than 30 years. In our two research centres, designers are developing innovative construction and production methods on a daily basis, the aim being to reduce the weight of the vehicle and, as a result, improve its performance even if this means conducting an endless number of complex experiments. Because each single gram is important for reaching our goal. Our carbon fiber components include the center console, dashboard, kickplates, handles and more besides. Available in both carbon fiber and forged composite.

CARBON FIBER KICKPLATE

Let your Lamborghini convey its DNA whenever you open the door.

ELECTRIC HEATED SEAT KIT

CUSTOMIZED STEERING WHEEL

An essential part of your Lamborghini interior, it can now be fully customized thanks to the Accessori Originali program.

CUSTOMIZED CARBON FIBER KICKPLATE

Thanks to Accessori Originali, there are no limits to the ways you can customize your Aventador. This pair of carbon fiber kickplates will provide an absolutely unique touch and customize your Lamborghini just as you desire. The kickplates are available in the enamelled version or with waterjet-engraved aluminium inserts.

MULTIMEDIA

Innovation is never a coincidence, but the product of intense commitment.

DAB KIT

The highest audio signal quality for your Lamborghini. Our Digital Audio Broadcasting system guarantees excellent signal quality without the interference that's typical of analog systems.

HOMELINK

Lamborghini Homelink has three easily programmed buttons you can use to open and close three different garage doors or gates in different places. Convenient, safe and ready to hand.

USABILITY

Lamborghini drivers have gasoline running through their veins. And a lot of passion in their hearts.

LIFTING SYSTEM

Just press a button and your Aventador will activate the Lifting System. It raises the front axle of the vehicle to allow it to pass over obstacles more easily.

DOCUMENT HOLDER

Sturdy case designed to hold all the driving papers of your Lamborghini. Can be kept safely tucked away in the glove compartment.

HARD TOP BAGS

Pair of elegant, stylish bags for storing the hard top of your Aventador Roadster when not in use.

LUGGAGE SET

Designed in collaboration with Piquadro, one of the world's leading manufacturers of leather goods, this luggage set is tailored to fit perfectly into your Aventador and features an exceptionally high level of attention to detail and finishes. Just the accessory you need to convey your passion even when you're not driving.

CONVENIENCE NETS

Limitless performance without sacrificing comfort inside your vehicle.

TIRES

To get the power down to the road and keep control in all conditions you need to be equipped with the right tires. Besides standard tires and sport tires, Pirelli has drawn from a century of experience to provide you with the perfect winter tires for your Lamborghini. Even in cold weather and on wet roads, these special tires will let you get the most out of your car's performance without forgoing safety.

CARE & SAFETY

A car that's built with so much care deserves to be protected. These tailor-made items fit the bill.

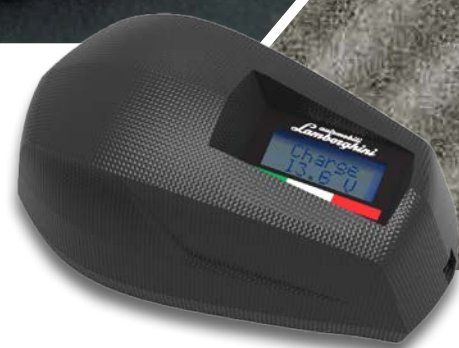

CAR CARE KIT

The only way to preserve beauty is to protect it. That's why we've created this package of products specially designed to care for your Aventador. Whatever paintwork or interior finishes you've chosen, we have what you need to look after your Lamborghini. Entirely Made in Italy.

BATTERY MAINTAINER

A properly charged battery is important for a special occasions car. This device keep's your vehicle's battery charged and ready to go.

WELCOME KIT
